

Here are some additional details to help
your family learn more about
Waumba Land:

Wellness Policy

Children who show signs of fever, vomiting, or other contagious illnesses should be symptom and fever free for 24 hours before coming to Waumba Land.

Security

All Waumba Land volunteers are carefully trained and background checked before serving. We also follow a strict check-in process to ensure the safety of your child.

Allergies & Special Needs

Notify us of all allergies, medical needs, or behavioral needs so we can best assist your family. We provide a snack in Crawlers-Pre-K classrooms. No outside food or drink is permitted. (Labeled bottles for babies and crawlers are allowed.)

Nursing Room

A room for nursing mothers is available. Ask a Guest Services team member for the location.

Still have questions? We'd love to help!
